STATE OF ILLINOIS

Chicago Police Department  
1121 South State Street  
Chicago, Illinois 60601

Gentlemen:

The Environmental Protection Agency is concerned about open dumping of garbage and refuse which has been occurring at a location east of Avenue O between 116th and 118th Streets. A sketch map showing the location is enclosed.

We are requesting your assistance so that the illegal dumping can be stopped.

As you may know, Section 44 of the Illinois Environmental Protection Act states:

"It shall be the duty of all State and local law enforcement officers to enforce such Act and regulations, and all such officers shall have authority to issue citations for such violations. (Chapter 111 1/2, Illinois Revised Statutes, Section 1044)

Your assistance in this matter is certainly appreciated.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
